To Whom It May Concern,

Re: Robin Delves and Inke Nielsen

This correspondence is to acknowledge that Robin Delves and Inke Nielsen ran the S/Y Talisman from March 2004 thru August 2004.

Talisman is an 18 net ton, 61 foot Oyster sailing sloop.

During this period Talisman sailed from Miami, Florida USA to British Virgin Islands in the Caribbean before sailing back to it's home town port in Deering Bay, Miami. While in the BVI Talisman took part in the annual 2004 Oyster Regatta. Talisman again received the Concours D'elegance Prize among the fleet as well as Third Place honors this year's week of racing

Total distance was 3,500NM. Total night sailing represents approximately 50% of the travel distance.

Captain Delves is a competent individual well versed in the handling, safety and maintenance of Talisman.

I have no reservation in recommending Robin Delves and Inke Nielsen .
