

S/Y Solitaire of Surama

Cowes, Isle of Wight

To whom it may concern,

S/Y Solitaire of Surama is a 31 meter Classic Ketch Cutter built in 1975.

Capt. Robin Delves joined Solitaire in Newport on July 1st 2013 and completed the crew of 5 plus a further delivery crew member for the trip between Newport and Ibiza. In Ibiza Solitaire cruised with guests for 2 weeks and then she sailed to Savona in Italy where she is undertaking a refit. Solitaire was at all times sailed safely and the guests had a very good cruise. The reason for Captain Delves leaving Solitaire are unrelated to his performance but to the fact that the plans for the yacht, following the refit, are not clear.
