

To whom it may concern.

Flica II Marine Limited – Mr. Robin G. Delves

Confirmation of employment and duties onboard.

Mr. Delves, born on the 27th August 1977, citizen of the United Kingdom, currently domiciled - The Beehive, Well Banks, Kirk Ireton, Ashbourne, Derbyshire, U.K. – He has been employed by Flica II Marine Limited, British Virgin Islands ('Company') as Captain of the vessel Sailing Yacht Flica II, since the date of incorporation of the Company on May 24, 2016.

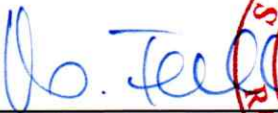

Sailing Yacht Flica II is a Classic 12mR America's Cup yacht. She was built in 1939 by William Fife and Sons in Fairlie, Scotland, U.K. She is 20.55 meters long, with a Net Tonnage of 34.67.

Whilst in our employment Mr. Delves has been responsible for the management of S.Y. Flica II and her support vessel M.Y. Örn (13.72 meters). He has diligently maintained the position of Captain onboard throughout six race seasons and overseen six periods of winter maintenance, design and development.

S.Y. Flica II's racing and cruising grounds have for the last six years, been exclusively in the Southern Baltic Sea. As a competitive racing yacht, weight and design restrict her ability to spend long periods at sea, however she is continuously in use during the short Baltic season. Races occur each year in Germany, Sweden, Denmark and very occasionally in Finland. When she's not racing, S.Y. Flica II is used as a family cruising yacht, for day or overnight passages.

Sincerely yours,

Date:

Nadia Falk
